

Update Regarding Your CEU/CPE Credits for the 3rd Annual Billington State and Local CyberSecurity Summit

Dear Summit Attendee,

Thank you for your interest in obtaining CEU/CPE credits for the 3rd Annual Billington State and Local CyberSecurity Summit to be held March 9-11 in Washington DC at the Ronald Reagan Building. **You are now added to our list of attendees to receive continuing education credit for your participation.**

In addition to our 2.5 day summit, we are also pleased to provide credits for those attending GovRAMP symposium. This half-day program serves as the opening session of the Billington State & Local Cybersecurity Summit, setting the stage for collaboration and framework harmonization as a national security strategy. This allows our attendees to earn up to 13.5 credits over the course of three days.

Below is a summary of the total number of credits each attendee may receive with our two education partners. Please refer to page 2 for more details and daily breakdown of credits.

Total number of credits for each educational partner:

- Up to 13 credits with SANS/GIAC (10 for Summit/ 3 for GovRAMP Symposium)
- Up to 13.5 credits with ISC2 (10.5 for Summit/ 3 for GovRAMP Symposium)

For more details on our program and speakers, please visit our [website](#).

For more information on the GovRMAP symposium please visit their [website](#).

Thank you for your participation at this year's summit. We will be in touch very soon.

Sincerely,

Kristin Ballance
Senior Director of Meetings
kristin@billingtoncybersecurity.com
